

ROCKTON

# Physical Performance Indicators

---

## Fireproof and high temperature resistance

A1 level fire resistance, fearless of high temperatures and open flames, 100% flame retardant

## Food grade surface

Pure natural ingredients that can come into direct contact with food without releasing harmful substances

## Strong toughness and impact resistance

Excellent impact resistance, the 6mm thickness product has a destructive strength of 1048N

## High strength, dense, and resistant to bending

Better quality raw materials and forming technology for the billet, with a fracture index of 158Mpa

### High wear resistance on the surface

Mohs hardness level 6, fearless of scratches in daily life and usage scenarios

### Double zero low suction and zero infiltration pollution

0.02% ultra-low water absorption rate, refuses to absorb dirt, and lasts forever

### Anti-Slip Standard

The product has passed the GripTek anti slip test in Australia, with a maximum anti slip rating of R11

### No radiation, acid and alkali resistance

Refined and purified raw materials, non radioactive, with UA level international strictest corrosion resistance performance

# Emperor Onyx

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Polished	AR6380

#### **Inspiration:**

This high-gloss porcelain delivers a sophisticated blend of creamy whites and amber streaks, perfect for upscale interiors.

#### **Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Ankara

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Satin	AR6740

**Inspiration:**

Ankara blends delicate veining and organic texture to create a surface that is both visually striking and effortlessly versatile

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Calacatta Butterfly

Size	Thickness	Patterns	Finished	No.
1600x3200	12mm	Bookmatch	Silk	AR6650

**Inspiration:**

Featuring bold, flowing veins on a luminous white canvas, Calacatta Butterfly transforms any space into a masterpiece of modern refinement.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

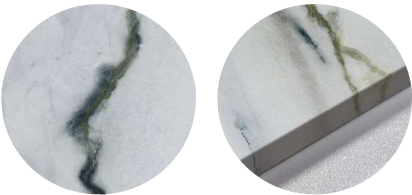

# Blanc

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Grip Tech	AR6120

**Inspiration:**

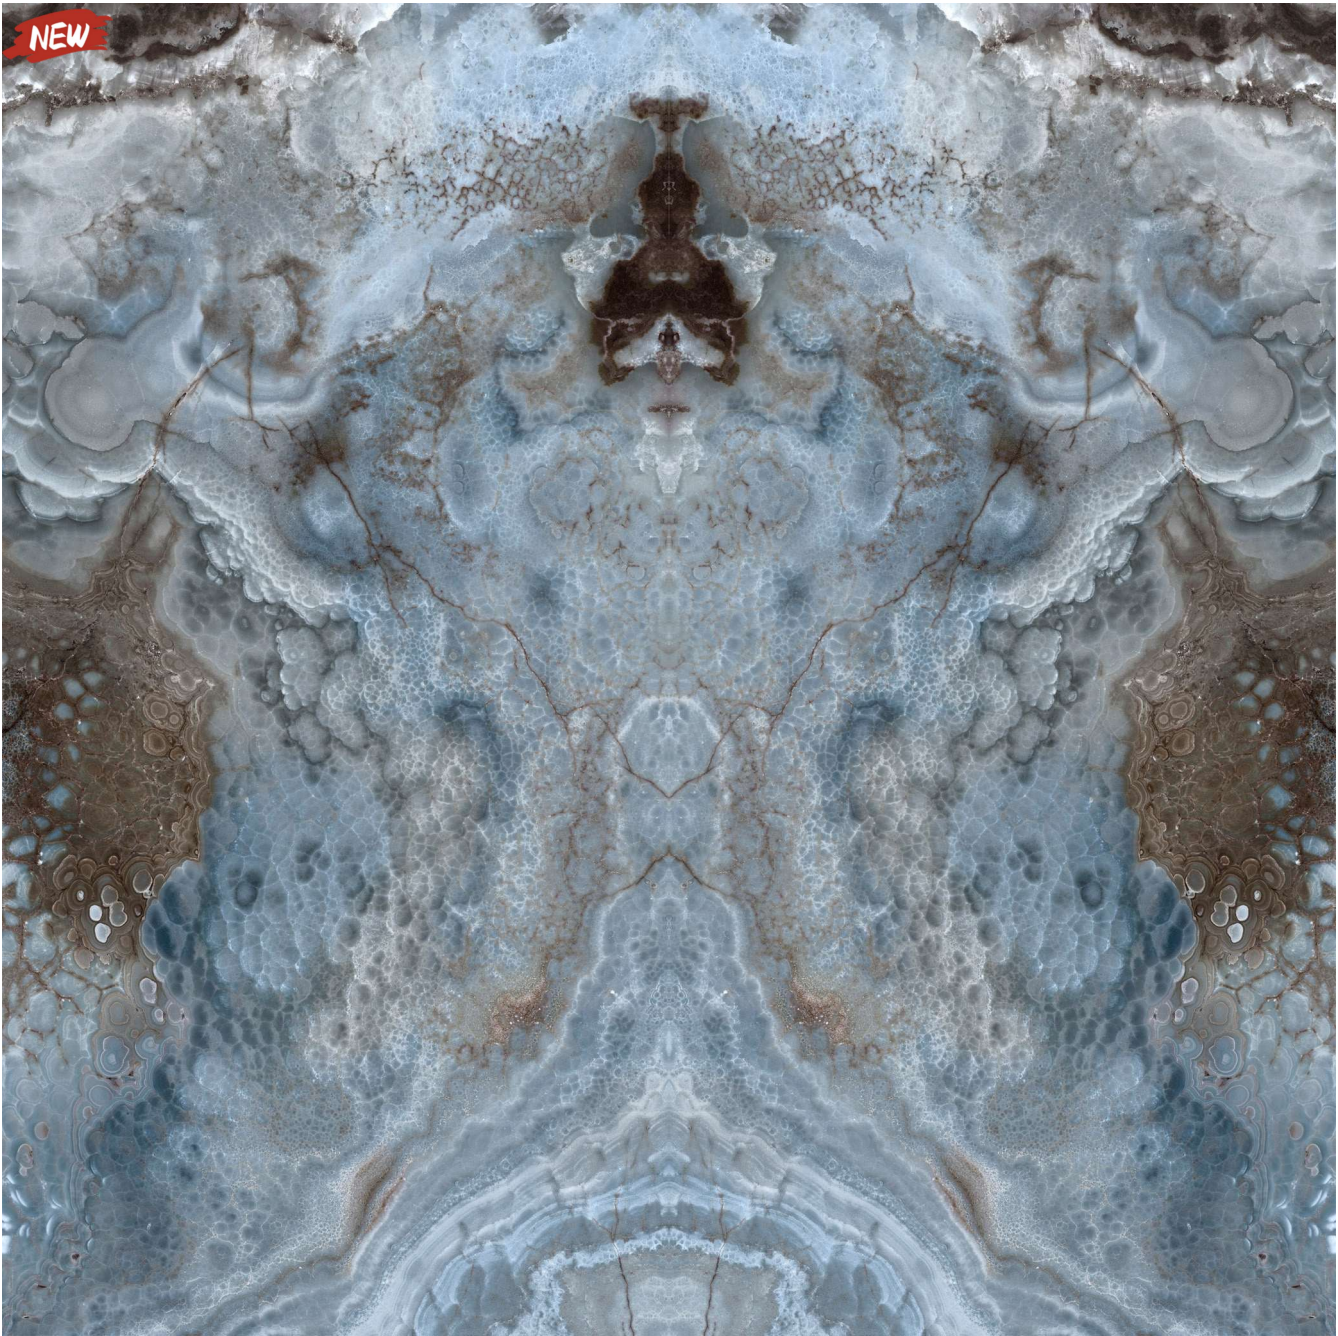

Blanc offers a crisp white canvas softened by graceful grey accents and unique jade veining—perfect for contemporary, high-end designs.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

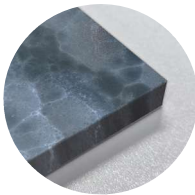

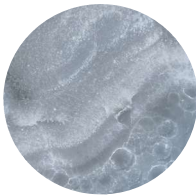

# Corfû

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Diamond Polished	AR6382

**Inspiration:**

With its blend of frosty tones and warm mineral accents, this porcelain masterpiece captures the raw elegance of nature's most intricate geologic patterns.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Maurya

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Diamond Polished	AR6384

**Inspiration:**

Layers of marine tones, stormy veils, and crystal fractures create a dynamic, high-impact look perfect for bold interiors with a natural edge.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

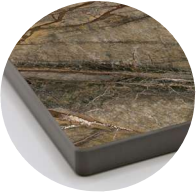

# Izar

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Grip Tech	AR6920

**Inspiration:**

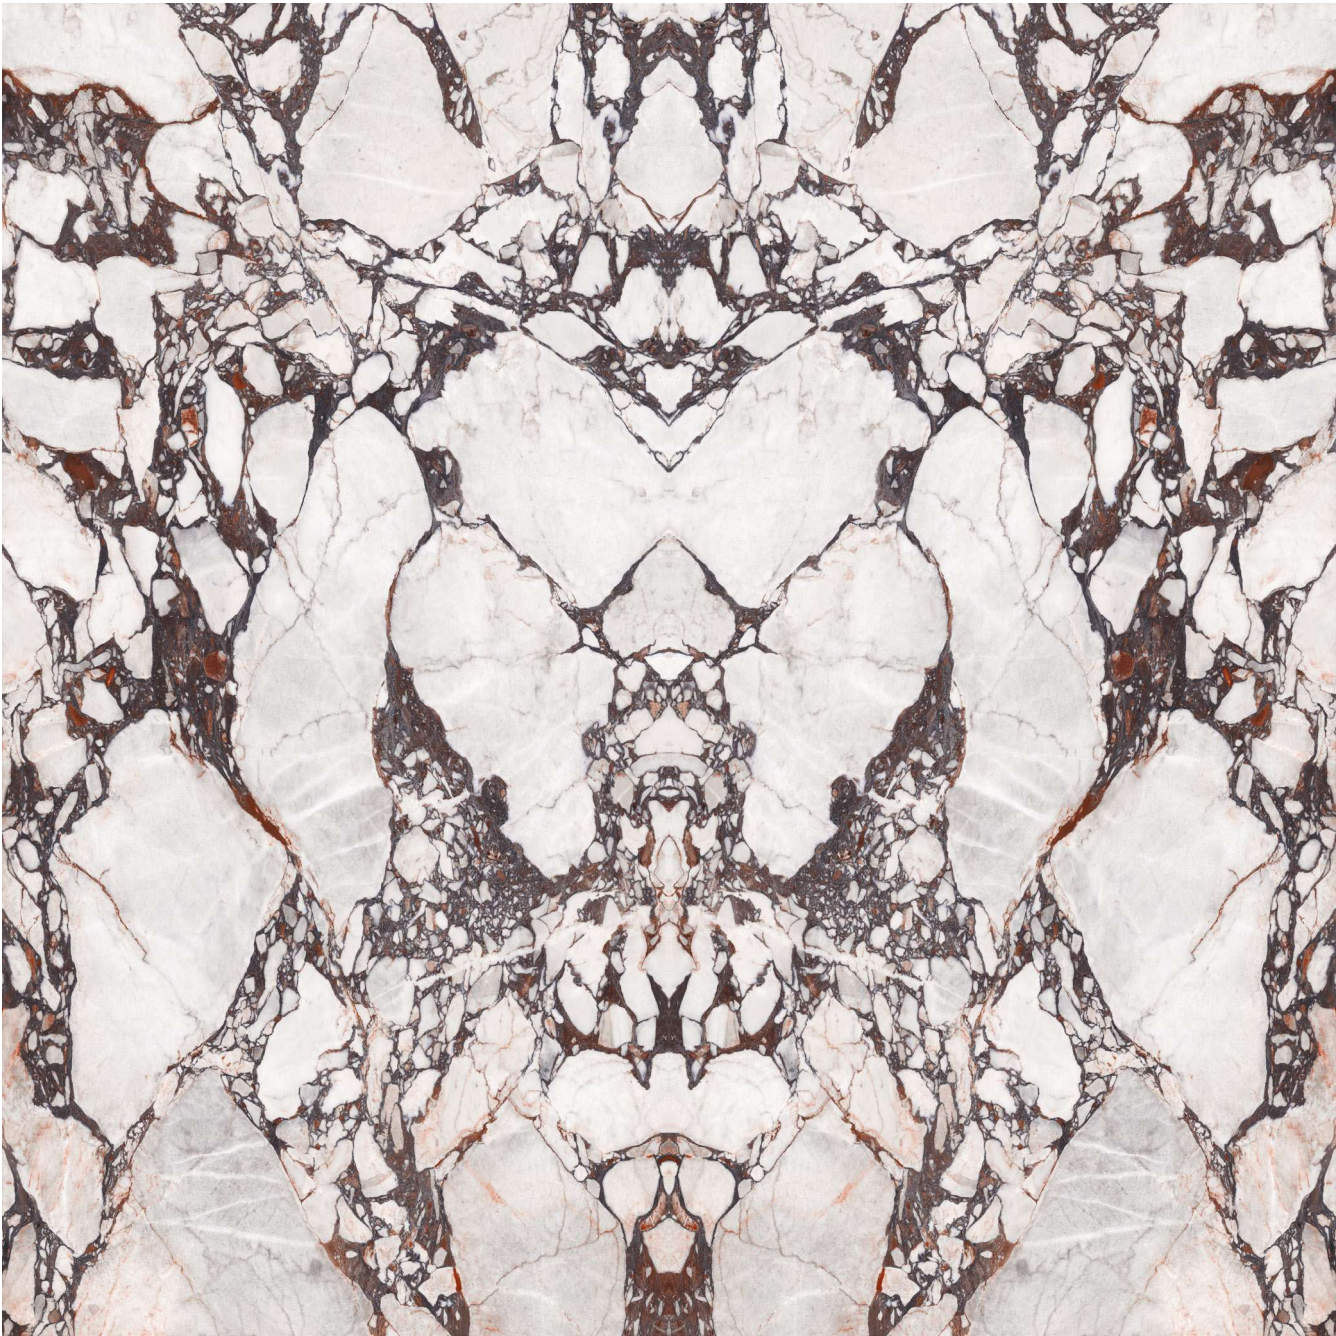

A rich fusion of mossy greens, copper threads and stone-grey layers makes this slab a bold, nature inspired masterpiece

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Bvgari Violet

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Grip Tech	AR6840

**Inspiration:**

Bulgari Violet stuns with deep violet undertones and intricate veining, making a dramatic statement in any sophisticated space.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

**Inspiration:**  
Limestone Cream brings soft beige tones and subtle texture, offering a timeless, earthy appeal perfect for serene spaces.

# Limestone Cream

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Digital Structured	AR6338

**Inspiration:**

Limestone Grigio features soft grey tones and natural stone texture, delivering understated elegance for modern space.

# Limestone Grigio

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Digital Structured	AR6350

**Inspiration:**

With its gently weathered texture and harmonious grey palette, Pietra Venice offers a sophisticated foundation for both traditional and contemporary designs.

# Pietra Venice

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Digital Structured	AR6235

# Calacatta Gold

Size	Thickness	Patterns	Finished	No.
1600x3200	12mm	Bookmatch	Silk	AR6155

**Inspiration:**

Calacatta Gold features a pristine white background adorned with bold grey veining and warm golden accents for timeless luxury.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Taj Mahal

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Silk	AR6348
			Polished	AR6348
1200x2700	6mm	Continue	Silk	AR6348

**Inspiration:**

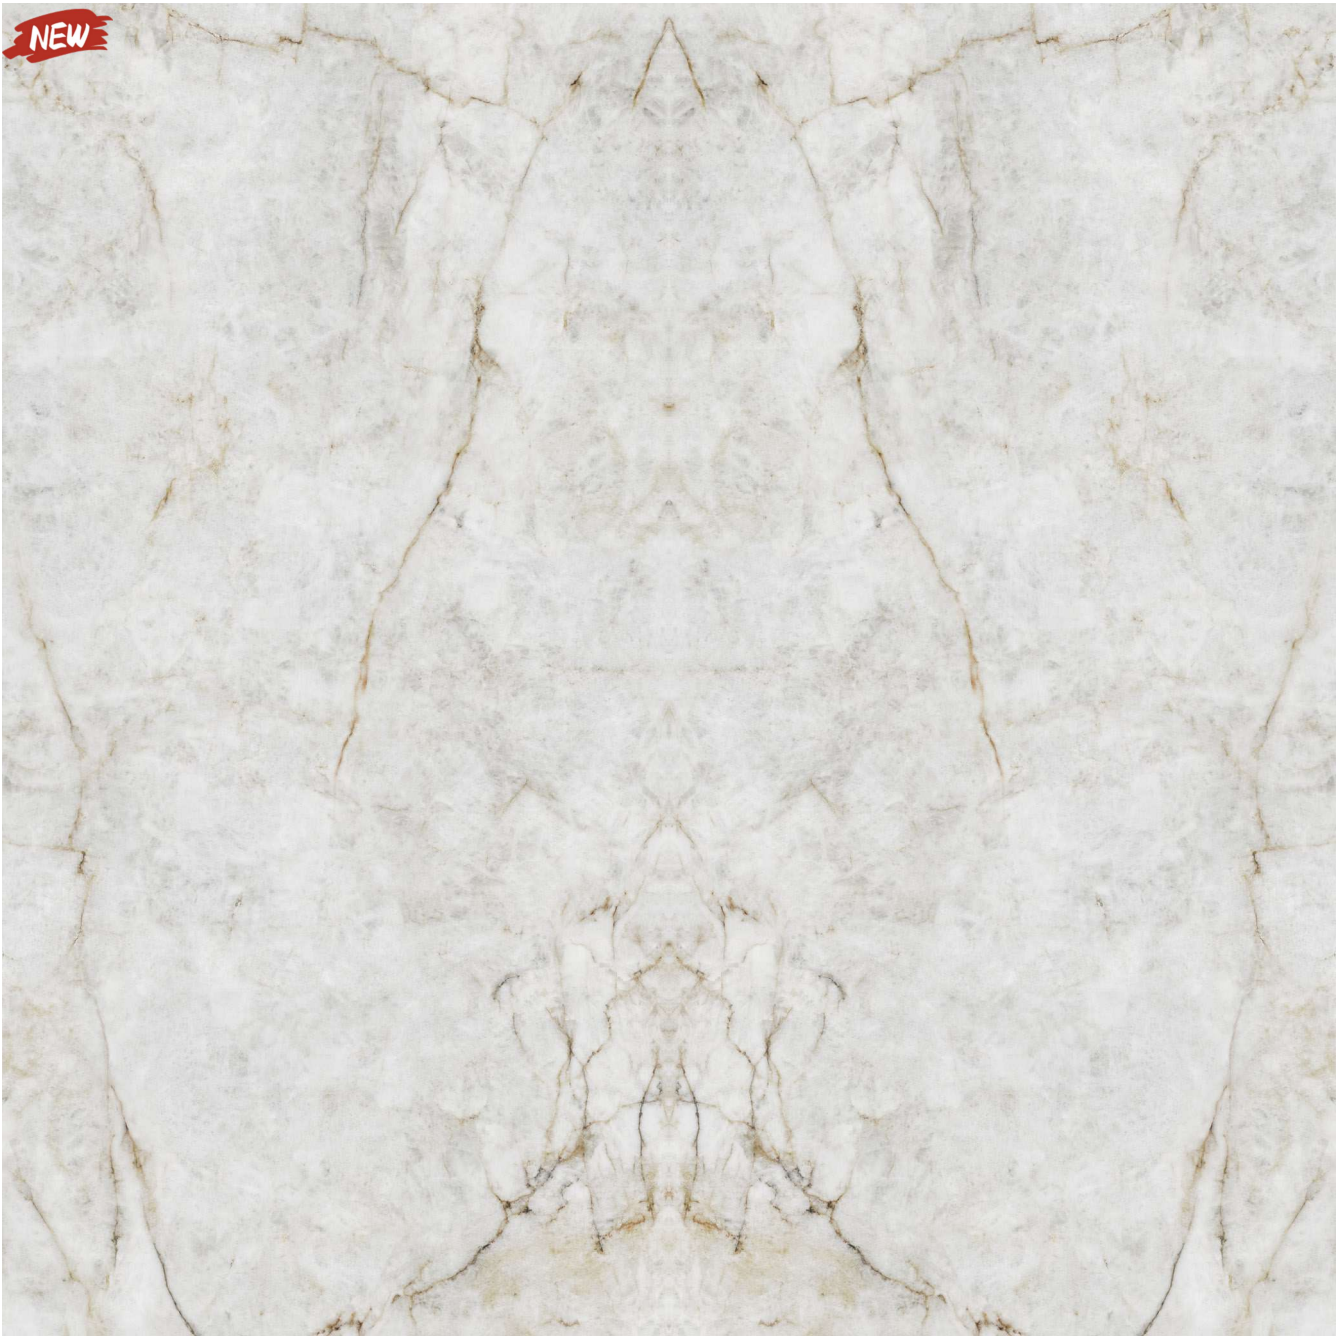

With its gentle waves and earthy palette, Taj Mahal brings a grounded, harmonious feel to both contemporary and classic interiors.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Lassi Trasparenti

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Soft Polished	AR6285

**Inspiration:**

Lassi Transparenti features a translucent aesthetic with soft veining and a luminous finish, adding refined elegance to any space

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

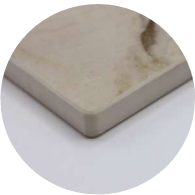

# Camus White

1600x3200	12mm	Bookmatch	Silk	AR6280
			Polished	AR6280
1200x2700	9mm	Continue	Silk tech	AR6280

**Inspiration:**

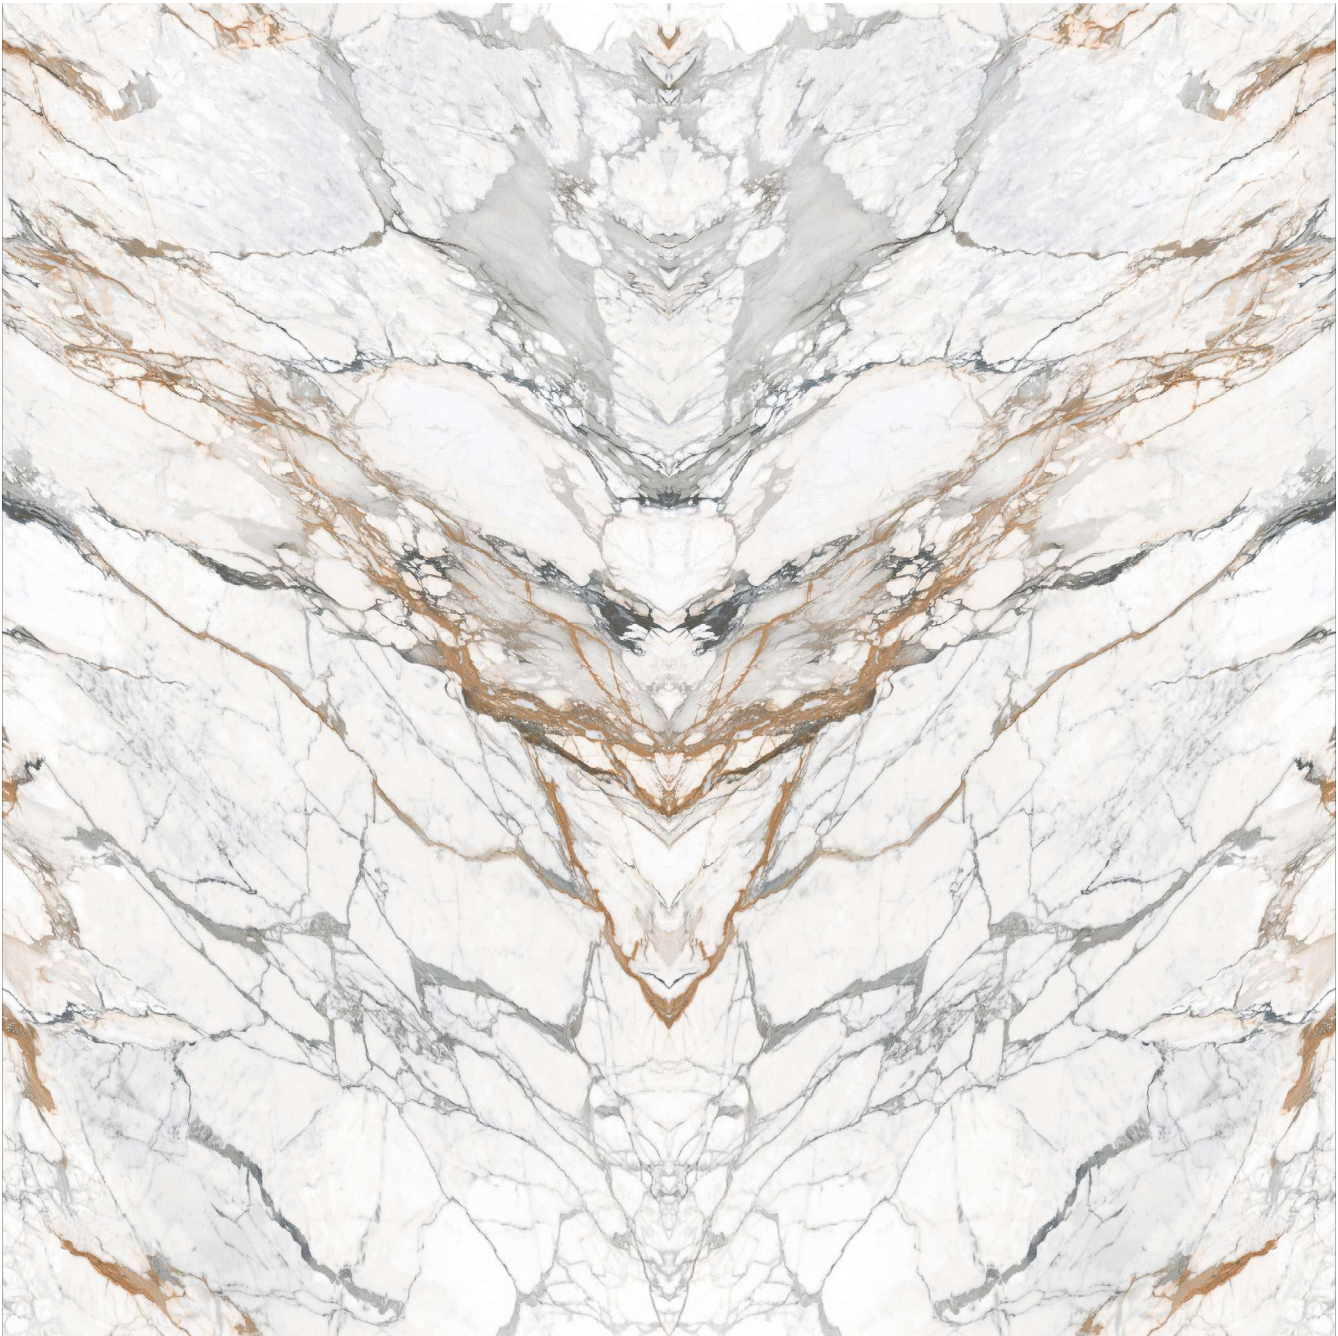

With its smooth texture and gentle tonal variation, Camus White brings timeless sophistication to any space.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms ,  
Interior & Design / Curved Surfaces / Shelves & Console

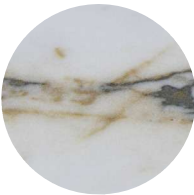

# Kylin

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Silk	AR6855
			Polished	AR6855

**Inspiration:**

Bold yet elegant, this slab fuses dramatic golden accents with cool marbled textures for a luxurious, high-contrast aesthetic.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms  
Interior & Design / Curved Surfaces / Shelves & Console

# Ágata Marrón

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Grip Tech	AR6847
			Polished	AR6847

**Inspiration:**

Agata Marron blends organic movement and rich, mocha-toned hues to create a warm, captivating surface for statement spaces.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Careggi

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Grip Tech	AR6390
			Polished	AR6390

**Inspiration:**

A luminous white surface streaked with emerald, charcoal, and hints of wine red, evoking the natural artistry of rare Italian marble.

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms ,  
Interior & Design / Curved Surfaces / Shelves & Console

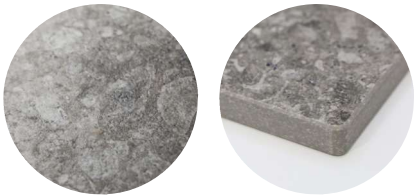

**Inspiration:**  
Natural swirls of white and taupe interact with the blue-grey base colors of this gorgeous Soap Stone.

# Soap Stone

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Digital Structured	AR6642

**Inspiration:**

Understated and bold, this slab offers the refined look of dark marble with subtle movement and a touch of dramatic contrast .

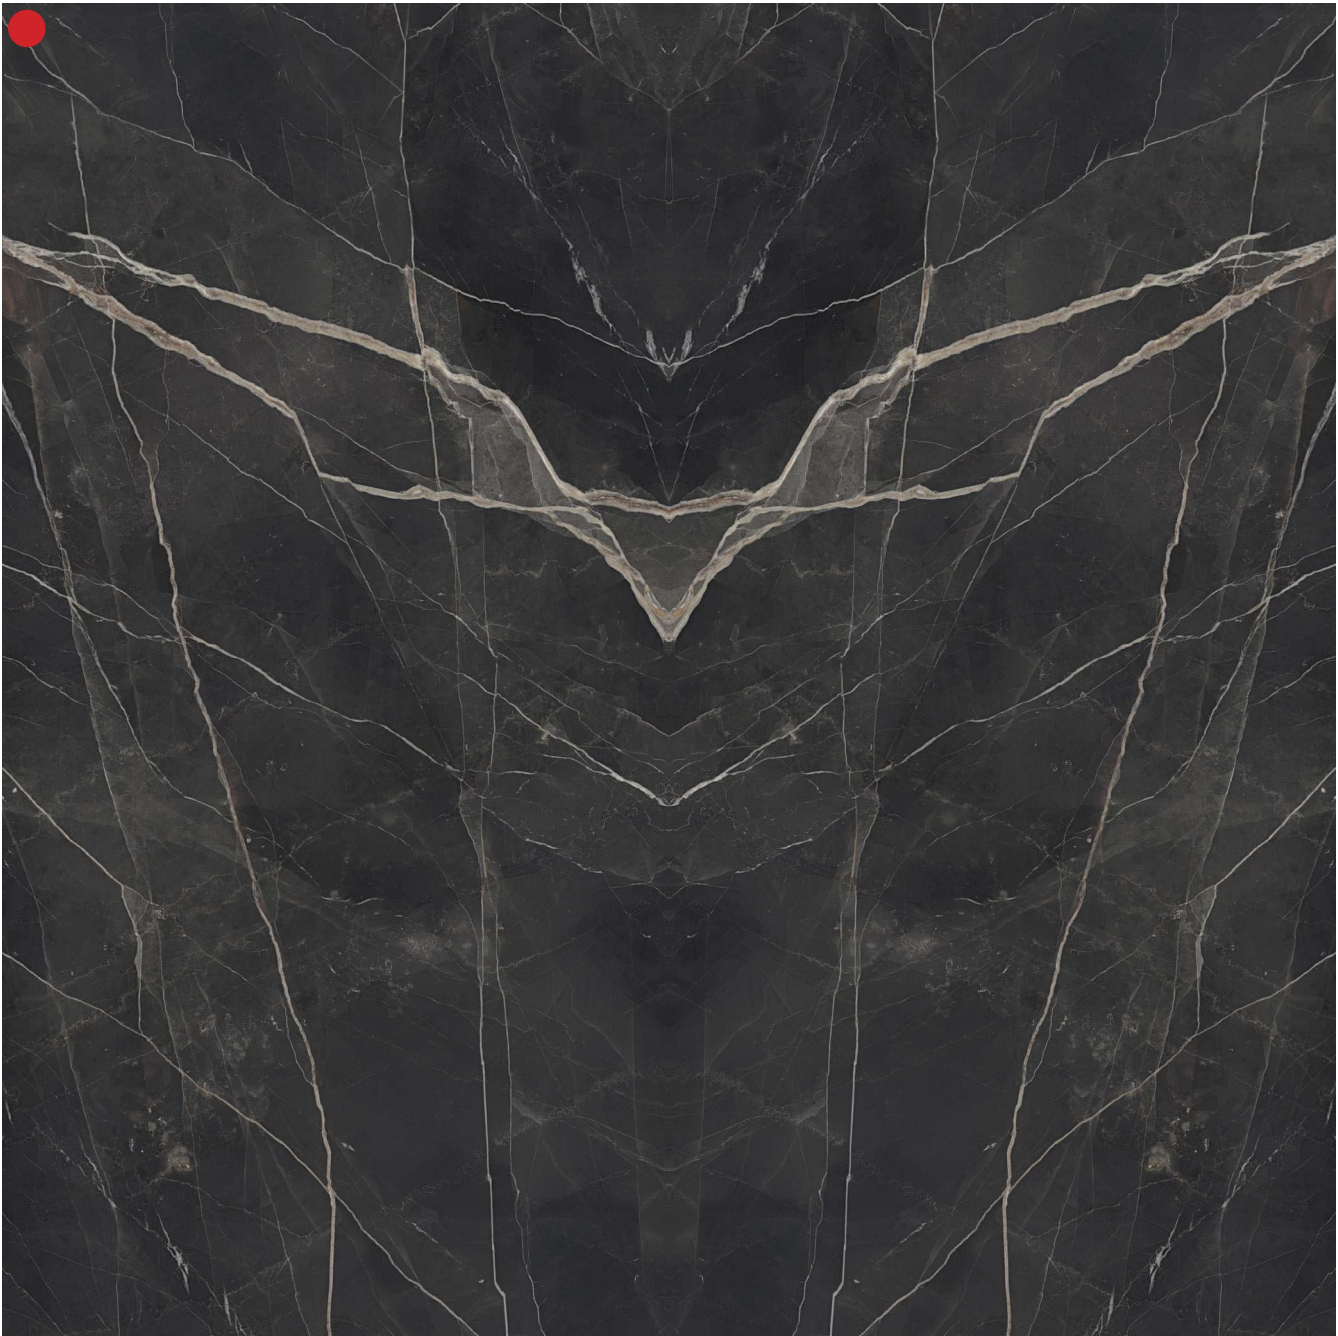

# Amani Grey

Size	Thickness	Patterns	Finished	No.
1600x3200	12mm	Single	Natural	AR6640

# Calacatta Black

Size	Thickness	Patterns	Finished	No.
1600x3200	12mm	Bookmatch	Natural	AR6630

**Inspiration:**

Dark and commanding, this slab is energized by warm taupe veining that cuts through its smoky black base like streaks of light

**Applications**

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
Ventilated Facade / Tops & Bathrooms /  
Interior & Design / Curved Surfaces / Shelves & Console

# Brown Positano

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Bookmatch	Digital Structured	AR6614

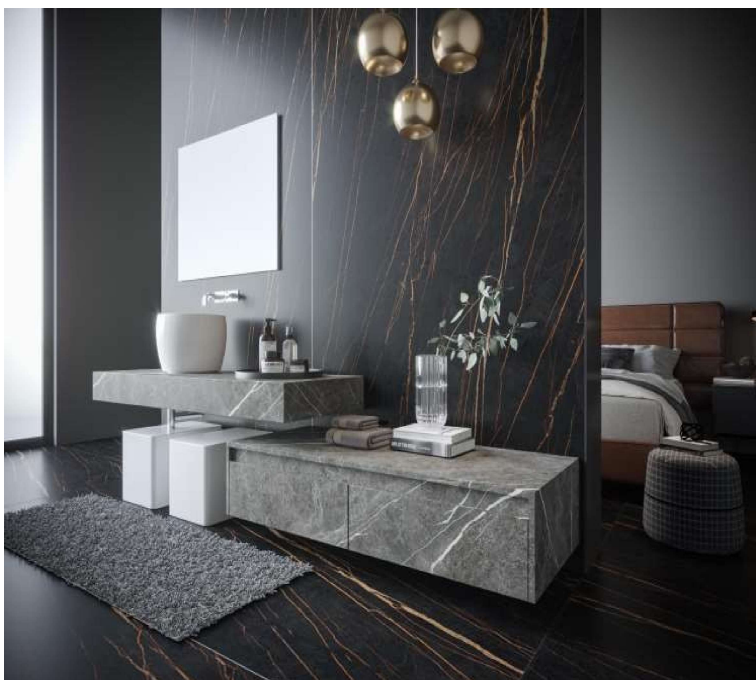

#### Inspiration:

A raw, weathered surface with smoky greys, rust tones, and metallic textures, ideal for urban-inspired interiors with a rugged edge.

#### Applications

Doors & Sliding walls / TOPS & Kitchen / Floorswalls & Stairs  
 Ventilated Facade / Tops & Bathrooms /  
 Interior & Design / Curved Surfaces / Shelves & Console

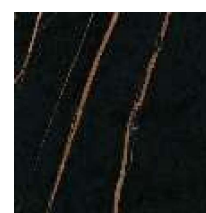

#### Inspiration:

Streaks of gold, grey and white are set in high contrast against a rich black background.

## Magic Black

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Digital Structured	AR6270

**Inspiration:**

A refined take on classic travertine, this slab features soft linear veining in shades of ivory, pearl, and mist for a serene, ultra natural look.

# Roman Travertino

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Digital Structured	AR6341
1200x2700	6mm	Random	Digital Structured	AR6341

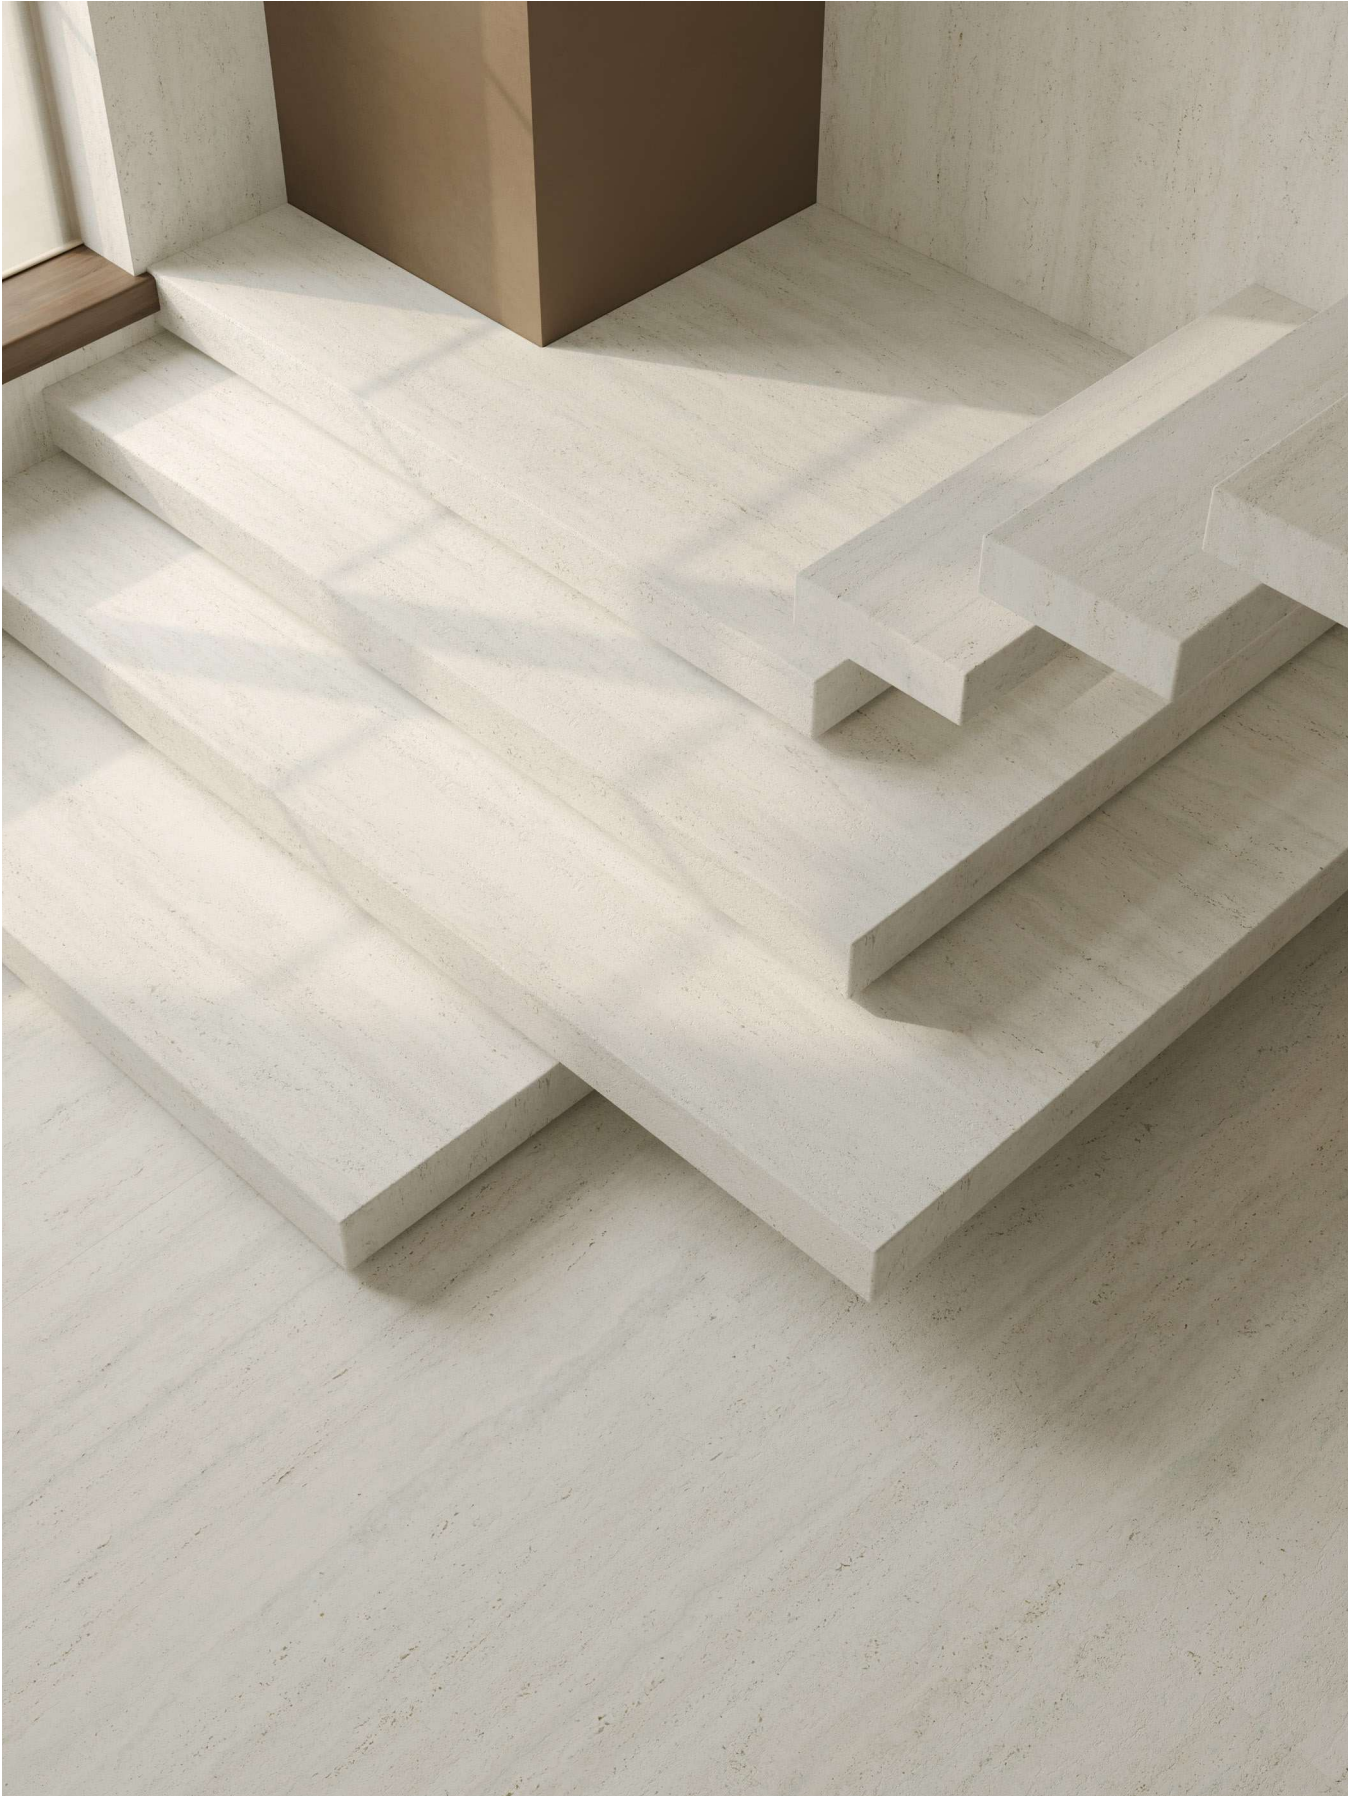

**Inspiration:**  
Soft, sandy veining flows gently across a warm beige canvas, delivering a timeless and tranquil travertine-inspired aesthetic.

# Infinity Travertino

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Digital Structured	AR6340
1200x2700	6mm	Random	Digital Structured	AR6340

**Inspiration:**

Rich, earthy bands of taupe, gold, and ash flow in rhythmic layers, echoing the grandeur of naturally formed travertine formations.

# Silver Travertino

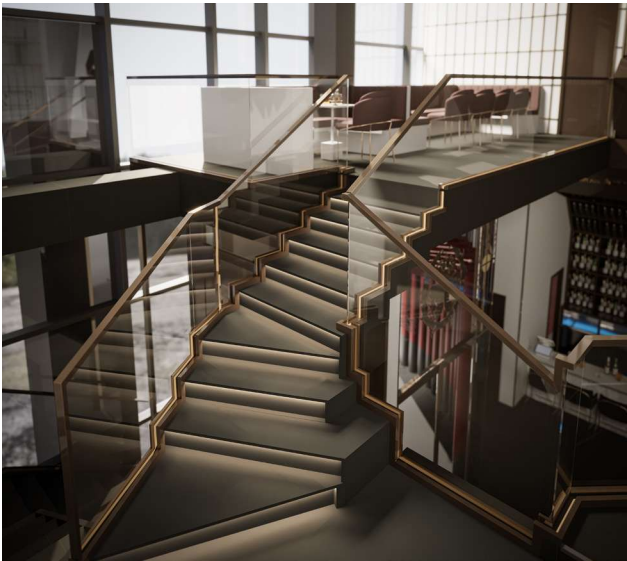

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Grip Tech	AR6347

**Inspiration:**

Elegant in its simplicity, this dark porcelain canvas offers endless design versatility with a rich, uniform tone and subtle texture.

# Absolute Black

Size	Thickness	Patterns	Finish	No.
1600x3200	12mm	Single	Natural	AR6530
			Structured	AR6530
